Dearest Wesley -

Haven't heard from you yet and Dick Lerner from Misrachi gallery keeps asking if you have answered or not. Please let me know what you think of the exhibit idea.

Thought you may be interested in the enclosed article.

We have rented a house on the beach in the Hamptons for June, July, August & September. If the wind blows you this way, come and stay - it is ideal - on the ocean, quiet, beautiful. I hope still somehow to come to Brazil - perhaps end August. Would love it, but

Sam insists I stay here - what a
drag! The house will make up
a bit for it.

With much love

Herta
